Good Afternoon Gentleman,

We are having an issue with our subcontractor refusing to go near homeless encampments due to COVID-19. Would you be able to assist us by cleaning the area on Coronado St, from Temple to Sunset so we can offer our sub some type of assistance in fighting the virus. Our crew will be mobilizing next Thursday, March 26th so any time before but obviously as close to the date as possible would be more than generous. We will be closing off the area for construction as soon as your work is complete, I want to make sure our crew is available to do so. If you have any questions or concerns please feel free to reach out at your convenience.

Once again, thank you for all your support.
